

Toolocity.com

An online store by Applied Diamond Tools

Welcome to Toolocity.com! Our mission is to provide high quality diamond tools to stone fabricators, concrete contractors, and DIY homeowners at the fastest speed and lowest prices. As a major online diamond tools retailer, we can cut operation overhead and pass the savings on to our valued customers.

Understanding that you have project deadlines to meet, we put in great effort into handling your orders promptly and customer service is always our top priority. Most of our orders are shipped out the same day. Toolocity.com is centrally located in St. Louis, Missouri; therefore, our shipments can reach destinations within the United States quickly via USPS or FedEx. We also ship internationally. Please check out our website, www.toolocity.com, for our latest products and prices. Do not hesitate to call us at **1-800-980-7808** if you have any questions.

[Stone Routers]

Portable Electric Stone/Granite Router Model MJ3

MJ-3 Portable Stone Router is designed for wet grinding and polishing with efficiency. With aqua planing technology, the machine glides on top of water to prevent from scratching, while offering superior maneuverability.

- Lighter than other portable routers at around 25 lbs
- Variable speed from 0 - 8500 rpm for grinding and polishing
- GFCI to provide protection against electric shocks
- Front splash guard

Diamond Router Bits for MJ3

They fit on any stone routers with 20mm spindle diameter and M10 locking bolt

Vacuum brazed diamond router bit for position 1 for very efficient profiling with granite, marble, quartz and other types of stones

3 steps to achieve 800 grit or higher finish

Starting at \$19.00

Very easy to install and switching between bits
 2 bits can be combined to create complicated profile

[Granite Fabrication Packages]

Shipping & Handling:

For many small items less than 4 lbs, we are offering \$7.95 2-day delivery with FedEx. For our customers located in the west and northwest, Hawaii and Alaska, this offers great cost savings!

Free Shipping Over \$100: we will choose between ground and 2 day shipping based on the weight of the order. For continuous 48 states, 4 business days is the maximum. For our customers in Illinois, Missouri, parts of Tennessee, Indiana and Kentucky, Memphis area and Kansas city Kansas, ground shipping will be just 1 day.

We offer multiple shipping methods including USPS, Ground 3-4 days, Expedited 2 Day shipping, and Express 1 Day shipping. All days stated are business days excluding weekends and holidays, although USPS and FedEx Ground Home Delivery may deliver on Saturdays. We may use USPS, FedEx or UPS services depending on transit time and availability.

Shipping Time: For orders placed before 3:00pm CST, we will ship out the same day if everything in the order is in stock. For orders placed after 3:00pm CST, we will try, but not guarantee, to ship expedited and express orders on the same day. All other orders will be shipped out the next business day.

If you would like to arrange Saturday delivery please call us to discuss before orders are placed.

All FedEx, UPS and USPS delivery terms are determined by the carriers. Their stated days of delivery refer to business days, excluding weekends and holidays. In some areas, some services may not be available.

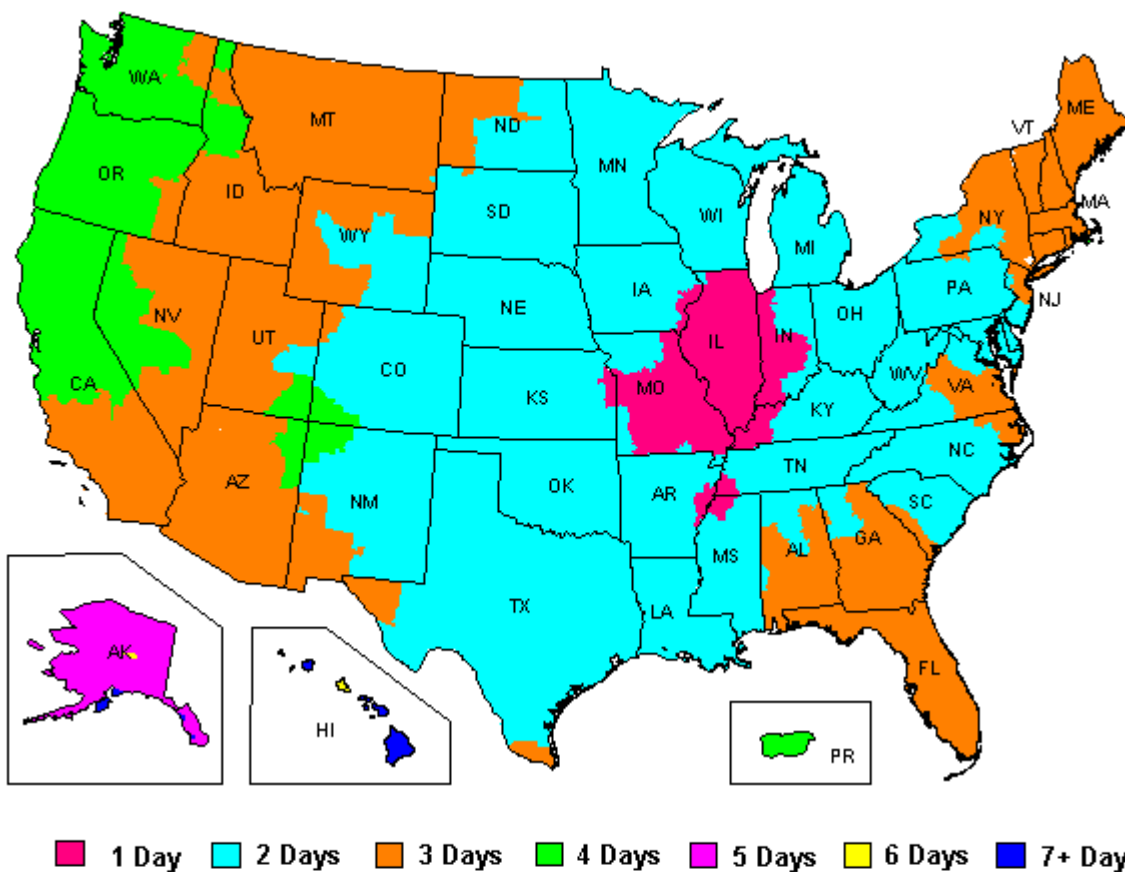

Return & Refund Policies

Customer satisfaction is our utmost goal. We understand that you want to return our products for a number of reasons. We are glad to help you. Here are our return and refund policies:

- All returns are permitted within 30 days from the date of receipt of merchandise.
- New and unopened boxes will get 100% refund less 5% restocking fee;
- Open box items and like new items will receive 100% refund less 15% restocking fee;
- Defective items will get 100% refund;
- Damaged items that are not defective and the responsibilities of customers will not be refunded;
- Customers to pay return shipping cost, at their choice of shipping method;
- All refunds are paid the same payment form customers used to place the order;
- Some refunds are given in the form of store credits pending agreements between customers and Toolocity;
